Confirmation letter for Dr. Serhii Lebedynskyi

Dr. Serhii Lebedynskyi from Institute of Applied Physics of the National Academy of Sciences of Ukraine attended the Department of Physics and Astronomy, Uppsala University, Uppsala, Sweden from May 30 to June 7, 2025, for a research internship under Memorandum of understanding between Institute of Applied Physics, Sumy, Ukraine and Department of Physics and Astronomy, Uppsala University.

During the visit to the Department of Physics and Astronomy, Uppsala University, Dr. Lebedynskyi worked with colleagues from the FREIA Laboratory. In addition, Dr. Lebedynskyi took part in the 12th International Workshop on the Mechanisms of Vacuum Arcs also organized by our University in Uppsala, Sweden.

Yours sincerely,

Dr. Maja Olvegård
